Hi Leigh,

Got your message. Here is what has transpired to date. I had a voicemail exchange with Eric and he suggested I email Jim. Below is the exchange I had with Jim. I'll set-up a meeting for you, me, Jim, Holly, and Chris to talk about HC.

Hi Dave –

We are thinking of bringing in Chris Hunter to help on R10 matters, but he is on travel this week, so we won't be able to check with him until Monday (haven't even raised it with him yet). Meanwhile, Chris L will be checking in with Holly to get a download on Deschutes and Snake-Hell's. Can we get in touch with you Monday or Tuesday next week on this one? Alternatively, I could do a call with you today or tomorrow to get up to speed myself.

I'm ok either way.

Jim

Subject: Snake-Hell's Canyon Complaint

Hi Jim,

There have been some regional discussions on this Complaint, and the attorneys have conferenced on the matter (ORC, OGC and DoJ). We are all in agreement about the path forward. How best should we advance recommendations within WB and OWW on this Complaint? Given the desire to take action in mid-January, we will need to have an accelerated decision-making process. I have not included Holly in this message, thinking that she will not be the one to carry the ball on this matter.

Thanks for the support, sorry for the headache,

Dave
